As you can see, the weather will not be really in favour of us. There is no dress-code for the study visit, we just want to be sure that you will have some warm and comfortable clothes with you.

On Tuesday, we will be close to the hotel all day, but Wednesday is a kind of excursion day to the Hortobágy („the Puszta”), so please be prepared for even a rain (jackets are preferred).

If you want to take a bath, do not forget your swimsuits (Tuesday – spa of Hotel Aquaticum, Wednesday – sauna seance at Balmazújváros and Thursday – Spas of Hajdúszoboszló).
