**Invitation**  
**BeHEALTH - Online Brokerage Event in Healthcare 2022**  
25<sup>th</sup>-27<sup>th</sup> of October 2022

Dear Mrs. Dogaru Gabriela,

We have the pleasure to invite you *as a speaker* at **BeHEALTH** – Online International Brokerage Event in Healthcare 2022, held on 25<sup>th</sup>-27<sup>th</sup> of October, and organized by ROHEALTH Association - Cluster for Health and Bioeconomy. We would appreciate if you could share your expertise with us being a Speaker on the **Social Responsibility for Health**, on the 2nd day of the event, October 26th, 2022, between 11.00 - 12.30 (Bucharest Time Zone).

The **BeHEALTH** agenda includes besides the brokerage event, also a start-up contest and abstracts contest, and panels for discussions. Our aim is to create a unique experience for participants by covering mixed areas such as access to national and international financing sources, e-health, medical equipment and instruments, translational medicine, materials for health, education for health, hospitals from home, the role of clusters in the innovation process, social responsibility for health, health policies and infrastructures and international networking in Health Domain.

Based on the history of last year's participation, we estimate at least 350 participants: entrepreneurs from the industry, universities, the scientific community, hospitals, civil society, Romanian policymakers and European Commission representatives, international networks representatives for the 3 days of this event.

**Please confirm your participation at [rohealthevents@gmail.com](mailto:rohealthevents@gmail.com) before 14th October 2022.**

We are looking forward to hearing from you soon.

Yours sincerely,

Flaviana Rotaru
